INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Madam/Sir:

In accordance with 37 CFR §1.97 and §1.98, and MPEP §609, and in compliance with the duty of disclosure set forth in 37 CFR §1.56 Applicants hereby submit the references cited on the attached Form PTO-1449 for consideration and entry in the above-referenced patent application.

Applicants submit this Information Disclosure Statement in compliance with the duty to disclose information material to patentability under 37 CFR §1.56, but by listing such documents Applicants are not admitting that such documents are necessarily relevant or prior art. Applicants intend no representation that the listed documents represent the results of a complete search. Applicants anticipate that the Examiner, in the normal course of examination, will make an independent search consistent with 37 CFR §1.104(a) and §1.106(b) and, in the course of such search, will review for relevance every document listed on the attached form even if not initialed.

Applicants believe that this Information Disclosure Statement is being submitted before the mailing of a first Office action on the merits and thus no fee is owed. If, however, Applicants do owe any such fee(s), the Commissioner is hereby authorized to charge the fee(s) to Deposit Account No. 08-0750. In addition, if there is ever any other fee deficiency or overpayment

EV 298497295 US

under 37 C.F.R. §1.16 or §1.17 in connection with this patent application, the Commissioner is hereby authorized to charge such deficiency or overpayment to Deposit Account No. **08-0750**.

Respectfully submitted,

James E. Davis, PTO Reg. No. 47,516
